APPLICATION FOR BURSARY FOR MASTER'S OR PHD STUDY AT A SOUTH AFRICAN UNIVERSITY

AIMS is offering a matching half bursary (maximum R43 000) to its recent graduates who wish to study towards a Research Master's or PhD degree at a South African University. Please note that applicants are responsible for their repatriation fee deposits if necessary.

Bursaries are only awarded under the following conditions:

1. That the university will pay a matching amount from its own funds or from research funds of the supervisor towards the bursary.
2. That AIMS approves the study programme and topic.
3. That the student will not do more than 10 hours of tutoring services per week to generate additional income.
4. That the university will waive the difference between fees for foreign students and local students in addition to the bursary offered.
5. That the student commences the study programme by February of the year following completion of completing the AIMS programme.

The bursary is paid in two parts, the first on registration and the second, 9 months later, on receipt of a satisfactory progress report.

DOCUMENTS WHICH MUST ACCOMPANY THIS COMPLETED APPLICATION FORM:

1. A short proposal of the intended research topic.
2. A letter from the proposed supervisor or department, confirming acceptance onto the programme and the awarding of a half bursary.
3. A brief CV of the supervisor (if the supervisor has not previously supervised AIMS students, or is not known to AIMS).

Please email the document and supporting documents to academic-admin@aims.ac.za.
